## Welcome You

It is our pleasure to host each and every HOME event with the traditional WINNEMUCCA hospitality and we wish you the best of luck and hope you have a safe journey home.

On behalf of the students, faculty, and administration of Lowry High School and the City of Winnemucca we welcome you to our HOME away from home.

**SPORTSMANSHIP** is a top priority of Lowry Athletics. We are certain that we will have outstanding games and that each and every fan will practice good sportsmanship and applaud those efforts by both teams during the games. We have made a strong commitment to our athletes, coaches, parents, and spectators to have a positive competitive experience.

Your paid or complimentary admission to our events entitles you to enjoy an exhibition of skills developed by our students in an educational setting. Please give these student-athletes your positive encouragement and support. Your effort to applaud the talents of all players is appreciated. Booing, taunting or intimidating the officials and opponents is unfriendly and inappropriate. Please be an example to those around you. A special thanks goes to our Humboldt County School District Board of Trustees, Humboldt County School District Administration, Humboldt County school teachers, Lowry High School students, the City of Winnemucca, Winnemucca Century Club and the many workers who have contributed their time and effort to insure that you may enjoy athletics at its best.

Our sports programs are truly a community happening and we are proud to be able to host Lowry High School athletic events with students in mind. We would like to take this opportunity to thank all of the fans for continuing to support and make all Lowry athletic programs highly visible and popular in Humboldt County.

Sit back, relax and enjoy yourself! At the conclusion of each day's contest, please make yourself at home in our wonderful City of Winnemucca.

# HISTORY OF LOWRY HIGH SCHOOL

In 1967, a brand new Humboldt County High School was opened with the new name Albert Lowry High School in honor of revered Coach Albert M. Lowry.

A true Nevadan, Mr. Lowry was born in Tollhouse in 1897. He graduated from the University of Nevada in 1925, began teaching Science and coaching three sports in Winnemucca.

Mr. Lowry served the students of Humboldt County as a teacher, coach, principal, assistant superintendent and as director of the Nevada Education Association.

One of Nevada's first sporting legends, Mr. Lowry was instrumental in putting Humboldt County High School on the map. His basketball teams won 11 district or league championships and finished as the 1929 runner-up in the Nevada State Tournament.

As a track coach, he led his teams to Nevada championships in 1928, 1930, and 1936.

Mr. Lowry was also an integral part of introducing six-man football to some of Nevada's smaller schools. In 1941, he was chosen as the state's "Outstanding Coach".

Mr. Lowry served as president of the Nevada Interscholastic Athletic Association (NIAA) for 14 years and was chosen 3 times as a delegate to the National Federation of State High School Athletic Associations.

In 1933, Mr. Lowry was inducted into the NIAA Hall of Fame. He retired from the school district in 1966 and passed away May 5, 1989.

The original Lowry High School building was ready for use in 1967, with the vocational building added in 1983 the science building in 1991, the following improvements were made since then: weight room, new gym, art/social studies building, Jim Billingsley Softball Complex, new track—lighting and landscaping, baseball & softball announcers booth.

## LOWRY HIGH – TRADITIONS OF PRIDE, DEDICATION & EXCELLENCE

# HISTORY OF WINNEMUCCA

Winnemucca, originally called French Ford, sprouted up from a wagon crossing on the Humboldt River. A trading post and hotel were the first businesses in Winnemucca, the hotel serving miners and prospectors as well as wagon trains that were passing through on their way to California or Oregon.

Two brothers, Louis and Theophile Lay, built a bridge across the Humboldt River. After this, it was not necessary to ford the river and the town was renamed to Centerville. Soon after, the railroad was built so residents looked for a name that fit the town better.

L.C. Pease or C.B.O. Bannon are usually given credit for naming the town. They chose to name the town after Chief Winnemucca, the leader of a local Paiute tribe. Another theory is that a nameless worker for the Central Pacific Railroad wanting to keep peace with the Paiutes suggested naming Winnemucca after the Paiute chief. It is reasonable that all three men chose the name of the town as an agreement was necessary. Winnemucca was an apt name as the mountain and mining district had been named for the Paiute chief since 1863.

Chief Winnemucca came by his name as a boy. When he was young, some prospectors found him in the river wearing just one moccasin. Using the Paiute word "muchcha" for moccasin, they called him "wan-ne-muc-cha." Young Chief Winnemucca liked the sound of the word and took it for his name. Later it came to mean "one moccasin."

Nominees not selected this year will be placed in an active file for future years.

## **Purpose:**

The purpose of the Hall of Fame is to honor and recognize outstanding individuals who have had a significant and lasting impact on the lives of people through their involvement as student and/or athlete or educator at our local high school. These individuals must have excelled in high school and continued to exemplify high standards in their adult lives to be eligible for this award.

## **Nomination procedures:**

1. Candidates can be nominated by any person.
2. The "selection committee" will be composed of four representatives to serve a maximum four year term. The athletic administrator will select those individuals and the names of the individuals will be confidential.

## **Nomination Deadline:**

All nominations must be received in the Lowry High School office no later than Oct 15 of each year. All nominations will remain in an active file for a three year period.

## **Awards:**

Recipients will have their name placed on a Hall of Fame plaque at Lowry High School and receive a lifetime pass to all Lowry High athletic events.

## **General Criteria:**

Nominees must exemplify the highest standards of sportsmanship, ethical conduct, moral character and carry the endorsement of their respective high school. An applicant must meet the following qualifications:

1. Athletes – will be eligible for nominations ten years after high school graduation.
2. Teachers, Coaches, Administrators, and Contributors will be eligible after their service to Humboldt County School District has ended.

To further explain, athletes would be former student participants who are being nominated for their achievements in interscholastic athletics. Students and educators would be considered on the merits of their high school achievements only. A contributor would be an individual who has made a contribution to Winnemucca education in some capacity other than those previously mentioned, including such areas as sports medicine, sports media, school participation, etc.

## NIAA ALCOHOL, TOBACCO AND OTHER DRUG POSSESSION, USE, ABUSE and PENALTIES POLICY

Participation in NIAA sanctioned sports is a privilege and responsibility which requires all participants to adhere to athletic training rules imposed by the school district and member or affiliate school the student attends and represents. Adherence to training rules ensures that all student-athletes are in top physical condition, minimizes potential for injury, and further ensures that all member and affiliate school athletic teams are appropriately represented by their student-athletes. Therefore, the possession or use of any controlled substance, alcohol or tobacco products by a student athlete, whether it occurs on or off of school property, is prohibited and shall result in the penalties set forth herein.

***This regulation shall begin once our son/daughter begins participation as a student athlete in high school athletics. This policy remains in effect for every calendar school year during the course of his/her high school career and when he/she is directly involved in a school activity occurring at any time (summer leagues / camps, etc.). This policy remains in effect regardless of whether our son/daughter is currently participating on a high school athletic team.***

- a. Definitions - The following terms or phrases shall have the meaning ascribed to them for purposes of interpreting this Policy.
  1. Competitive Week – means a seven (7) day period of time beginning with the **first scheduled competition** after a violation occurs in which a student athlete is participating as a member of an athletic team for a member or affiliate school, and in which that team is officially competing in NIAA sanctioned competition.
  2. Controlled Substance – includes any mind altering substance or beverage set forth in Schedule I-V of the list of Controlled Substances as identified by the office of the Drug Enforcement Administration or as set forth in 21 U.S.C. §812.
  3. Period of Suspension – means a student athlete is prohibited from appearing in any NIAA sanctioned sport or event as a member of an athletic team or in individual competition. A suspension from athletic competition begins with the first scheduled competition after a violation occurs. A student athlete who is suspended under this regulation who does not serve the entire period of suspension during the sport season in which suspension occurs shall serve any remaining period of suspension during the next sport season in which the student athlete appears on a NIAA roster. A violation of this regulation that occurs during a time when a student athlete does not appear on a NIAA roster shall be implemented at the commencement of the next sport season in which the student athlete participates. Attendance in a summer school class shall not apply toward satisfying any period of suspension.
  4. ***Possession means a student / athlete who is in actual physical control of alcohol, tobacco or a controlled substance.***
- b. Possession or Use of Tobacco/Alcohol/Controlled Substance/Narcotics. Any student athlete determined to be in possession of, or to have used tobacco, including smoking tobacco, chewing tobacco or snuff, an alcoholic beverage (as defined by NRS 202.020 **and any relevant local ordinances**), controlled substance and/or narcotic (unless prescribed by the student athlete's physician for medical purposes), is in violation of this policy. If after an investigation by the school it is determined that the student athlete is in violation of this regulation the student athlete shall immediately be declared ineligible to compete in any NIAA competition beginning with the first scheduled competition after a violation occurs. Additionally, the student athlete shall be subject to the following discipline:

1. First Violation: a six (6) competitive week suspension from participation in interscholastic competition beginning with the first scheduled competition after the suspension occurs. Four (4) competitive weeks of the suspension of eligibility may be waived if the student successfully completes all components of the appropriate substance abuse intervention program set forth in subparagraphs (d) (1) (A) and (d) (1) (B) below. The student may practice with the team during the period of suspension if approved by the coach and principal.
2. Second Violation: The student shall be suspended from interscholastic competition for a minimum of ninety (90) school days which shall include a minimum of six (6) competitive weeks of competition. The student shall not be allowed to practice with the team, or participate in any out of season activities and must complete the requirements set forth in subparagraphs A and B below, in order to be considered for reinstatement of future athletic eligibility, which shall be determined following the ninety (90) day suspension of athletic eligibility by a group composed of one of the student's parents/legal guardians, the school principal, athletic director, coach and a substance abuse program coordinator.
  - A. A substance abuse evaluation assessment conducted by a licensed alcohol and drug counselor at the expense of the parent/legal guardian of the student must be completed within ten (10) school days following the suspension and all assessment recommendations must be satisfactorily met before athletic eligibility may be reinstated.
  - B. The student must successfully participate in all sessions of the appropriate substance abuse intervention program set forth in subparagraphs (d) (1) (a) and (d) (1) (B) below, and successfully complete a minimum of ten (10) tobacco or alcohol/drug related support sessions.
3. Third Violation: The student shall be ineligible to participate in interscholastic athletics for the remainder of the student's high school career.
4. Appeal: A student that serves their third violation and still has more than one year of remaining eligibility can appeal through the NIAA Board of Control. Both the students and his / her parents must attend this meeting of the Board to present their appeal.
- c. Cumulative Effect of Suspensions: Multiple suspensions of a student athlete's athletic eligibility based on violations of this Regulation shall be considered as cumulative over the length of each student athlete's high school career, 9<sup>th</sup> through 12<sup>th</sup> grade.
- d. Substance Abuse Intervention Program: Any student who has been suspended from athletic eligibility for violation of the provisions of this Regulation and whose future athletic eligibility is contingent on successful completion of a Substance Abuse Intervention Program, or whose suspension of athletic eligibility may be reduced through successful participation in a Substance Abuse Intervention Program, shall complete the Substance Abuse Intervention Program developed by the NIAA in conjunction with the State of Nevada, Department of Human Resources Division of Child and Family Services Program available through the Juvenile Justice Programs Office: (775) 684-7294.
  1. Successful completion of the Substance Abuse Intervention Program shall require, at a minimum:
    - A. The completion of a video program specific to the nature of the student athlete's offense, by the student athlete, and his/her parent(s) or legal guardian(s), as demonstrated by the successful completion of an assignment on the content of the video by the student athlete and his/her parent(s) or legal guardian(s).
    - B. The completion of a minimum of an eight (8) hour assignment selected from a list of ten (10) possible assignments by school personnel. Successful completion shall be determined through a meeting between the student athlete, his/her parent(s) or legal guardian(s), the head coach of the sport in which the student athlete was participating at the time of offense, and the school counselor or dean of students.

**All investigations and penalty enforcements will be conducted by the school and / or district with support through the NIAA office.**

## PARENT / LEGAL GUARDIAN AND STUDENT ACKNOWLEDGEMENT

***The Nevada Interscholastic Activities Association (NIAA) recognizes and understands that parents / guardians take the primary role in instilling values for their students. It is the goal of the NIAA to work cooperatively with parents to provide guidelines and programs that assist student athletes in making positive choices.***

**IMPORTANT** – Please read the following information and acknowledge with your signature below.

We understand that participation in high school athletics is a privilege, not a right, and that underage drinking and drug use is against the law. It is against the law to sell tobacco to people under the age of 18 and usage is against school policy. Substance abuse negatively impacts athletics and academic performance, and research indicates that early onset of alcohol use increases the occurrence of addiction in adulthood by four times. Alcohol and drug use interferes in learning processes, brain development and increases the chance of physical injury while participating in athletic competition. Because of these risks, and in addition to the laws of the State of Nevada, the NIAA requires participants and parents to agree to the following:

- 1.** We have read the NIAA Drug, Alcohol and Tobacco Possession, Use and Abuse Penalties Policy and agree to abide by the Policy as written.
- 2.** We realize that a video and Power Point presentation regarding the Policy is available and we have either seen this presentation or agree to waive the requirement of viewing the presentation.
- 3.** ***We understand that we are encouraged to notify our school's athletic administrator / director if our son / daughter violates this Policy and / or the laws of the state of Nevada. It would also be acceptable for our child to self-report any violation of this policy to our school's athletic administrator / director.***
- 4.** ***We understand that knowingly providing erroneous information during the course of an investigation of an alleged violation of the policy will result in a one calendar year suspension from all high school athletic activities.***
- 5.** ***We further acknowledge that once our son / daughter begins participation as a student athlete in high school athletics that this policy remains in effect for every calendar school year during the course of their high school career and when he / she is directly involved in a school activity occurring at any time (summer leagues / camps, etc.). This policy remains in effect regardless of whether our son / daughter is currently participating on a high school athletic team.***
- 6.** ***We have also reviewed the following NRS 202.020, Purchase, Consumption or Possession of Alcoholic Beverage by Minor, and understand the laws of Nevada and how they pertain to our family.***
- 7.** ***We understand that although it is not technically against the law to use tobacco in the state of Nevada (NRS 202.2493 and 202.24935 prohibits anyone from supplying a person under the age of 18 with any kind of tobacco product), we realize it is against this policy and general school policy, and that scientific evidence demonstrates it is unhealthy and a detriment to athletic performance.***
- 8.** ***We understand that the use of steroids and other performance enhancing drugs are dangerous, illegal, provide only temporary gains and are a form of cheating other competitors.***
